Directions

Grilled Red Curry Shrimp

1. Prepare the marinade for the shrimp by putting the cilantro, ginger, garlic, olive oil, red wine vinegar, curry paste, sea salt and pepper in a bowl. Place the shrimp into the marinade and chill for at least 1 hour.
2. If using wooden skewers, soak the skewers. Preheat the grill.
3. Thread each shrimp through the tail and the head. Place a piece of pepper and a piece of the onion next to the shrimp. Do this for each shrimp and place 3 shrimps on each skewer. Throw out the excess marinade.
4. Place the shrimp skewers on the grill so they sit flat on one side of the shrimp. Grill for 3 minutes and then flip to the other side. Grill for another 3 minutes. The shrimp will turn white on the inside.
5. Serve with Spicy Pineapple Tomato Salsa. Be sure to peel the shrimp before eating.
